ONE OF THE MOST HOTLY CONTESTED CASES THAT HAS EVER BEEN HEARD IN THE CHRISTIAN COUNTY COURT FOR A LONG WHILE WAS BEGUN HERE MONDAY MORNING, AND AFTER CONSUMING THE ENTIRE DAY HAD TO BE CONTINUED TO WEDNESDAY, AS ONLY A PART OF THE TESTIMONY HAD BEEN HEARD, AND TUESDAY BEING A NATIONAL HOLIDAY, NO SESSION OF COURT WAS HELD.

MANY PERSONS CONCERNED.

FOR MANY YEARS THE NECESSITY OF HAVING A PUBLIC HIGHWAY FROM CLARK STATION STRAIGHT THROUGH TO THE CLARKSVILLE PLANK AND THENCE TO THE PALMYRA ROAD HAS BEEN URGED UPON THE COUNTY COURT, BUT AS IT WOULD HAVE TO PASS THROUGH SOME OF THE RICHEST FARMS IN THE COUNTY, AND AS THE OWNERS OF THE FARMS RAISED SUCH STRONG OBJECTIONS, NO ACTION HAS EVER BEEN TAKEN UNTIL RECENTLY, WHEN A LARGE NUMBER OF PEOPLE LIVING IN THAT SECTION DECIDED TO TRY TO COMPEL THE PROPERTY OWNERS ALONG THE PROPOSED HIGHWAY TO OPEN UP A ROAD, CLAIMING THAT THE PUBLIC WELFARE DEMANDS THAT IT BE DONE.

CONSIDERABLE FEELING HAS BEEN WORKED UP OVER THE MATTER.

THE CASE DECIDED.

SOMETHING TO KNOW.

IT MAY BE WORTH SOMETHING TO KNOW THAT THE VERY BEST MEDICINE FOR RESTORING THE TROUBLED NERVOUS SYSTEM TO A HEALTHY VIGOR IS Paine's Celery Compound. This medicine is purely vegetable, acts by giving tone to the nerves, centers in the stomach, gently stimulates the Liver and Kidneys, and aids the organs in throwing off impurities of the blood. Electric Bitters improve the appetite, aid digestion and give tone to the system. Those who have tried it say it is the very best blood purifier and nerve tonic. Try it. Sold for 50c and \$1 per bottle at R. C. Hardwick's Drug Store.

FOUND THE OLD CUP.

When the old Sively homestead, near this city, was erected over seventy-five years ago, one of the carpenters, who was angry at Mr. Charles E. Sively's grandmother, who was then a young lady, concealed a cup within the wall, and which she prized very highly in the walls of the house. Later on he acknowledged to hiding the cup, but as there was no way of getting it except by tearing down a large part of one of the walls, it was allowed to remain. The cup was found recently and a few days ago the old house was pulled down. The cup was found in the wall of the Sively. The cup was made from a large silver and is handsomely finished and engraved.

AT TAYLOR COLLEGE, Upland, Indiana,

one of the buildings, "The Maria Wright Hall" bears the name of its donor on the corner stone. Maria Wright is the wife of Rev. Jno. R. Wright, the president of the college, as well as president of the "National Association of Local Preachers." A family name, especially to Methodists, all over the country.

If anyone has known the luxury of doing good to the beloved wife and co-worker of the president of Taylor college has enjoyed her share. In the same helpful spirit with which she has helped many a poor struggling student by something more substantial than good advice, Mrs. Wright writes to the proprietors of Paine's celery compound, hoping someone may be benefited by Paine's celery compound, as her letter shows that she has been—

Dear Sirs:—I find your Paine's celery compound of much benefit as a tonic. Since taking it I feel stronger. I take pleasure in recommending it. Respectfully, Mrs. H. Maria Wright.

Every person who has ever taken Paine's celery compound has observed

how soon it regulates the bowels and clears the whites of the eyes of that yellow jaundice look. Another witness of its invigorating capacity that may escape the notice of persons not accustomed to ordinarily employing this test is its effect on the pulse. Observe the firm regular full pulse that was before uncertain, fluttering and feeble. The great susceptibility of woman to worry is heightened by the fact that she leads a more confined, monotonous life, narrowed down to the four walls of home, the greater part of the day. Paine's celery compound is just what such nervous, depressed persons need to restore their nerve to energy and to lift them out of their constipated, dyspeptic habit of body. Paine's celery compound counteracts the exhausting strain of work by its strong inducement to the delicate tissues to take more food. It plainly induces the nerves and brain to feed themselves more liberally, and has thus saved countless men and women from chronic neuralgia, rheumatism, sleeplessness and falling mental power. No remedy has been discovered so rich in flesh-forming and energy-producing constituents as Paine's celery compound.
